Re: United States v. Dzhokhar Tsarnaev, Crim. No. 13-10200-GAO

Dear Counsel:

We write to follow-up with your request for certain items that we had made available on or with the stand-alone computer available for your inspection. We recognize that in light of the press of business you have asked for more time to potentially review this material. Although we will continue to make the stand-alone computer available into Monday of next week (January 12, 2015), given the demands on our own personnel and in light of trial demands, we ask that you complete your review by January 13, 2015.

Accompanying, please find the items we discussed today, two DVD-Rs containing scanned copies of the chain of custody forms for the FBI's 1B evidence that has been made available to you. They are labeled DT-0106254 and DT-0106255. Also, the surveillance footage from the interior cameras of the Forum restaurant was imaged and placed on a hard drive, labeled DT-0106256.

Thank you.

Sincerely,

CARMEN M. ORTIZ
United States Attorney
